The provision of facilities for legal education was one of the strong recommendations in the Turner Report (Higher Education in Namibia: Report of a Presidential Commission, Windhoek 1991), which stated, inter alia:

“We have been impressed by the argument that in Namibia, law is a developmental subject; much of the current legal system was distorted by the tenets of apartheid. Although the ideology is now outlawed by the Constitution, a massive effort is needed to revise the legal system to make it a suitable expression of the Constitution.” (p 100)

In evaluating the Turner Report (which, despite the quoted view, opted for a two-step approach according to which a faculty was to succeed a department after a period of consolidation), the Joint Technical Committee under the then Vice Chancellor-Designate, Prof. PH Katjavivi, proposed to the Cabinet of the Republic of Namibia the establishment of a faculty of law from the outset. The Cabinet approved the establishment of a faculty on 19 November 1991.

The year 1992 became the year of planning; the year 1993 the year of implementation. The Law Faculty Sub-Committee of the Office of the Vice Chancellor-Designate was put in place. It was chaired by the Founding Dean of the Faculty, late Prof. WJ Kamba. The late Adv. FJ Kozonguizi, Ombudsman of Namibia, functioned as its convener. The membership covered a broad spectrum, having representatives from all walks of the legal fraternity.

The deliberations of the Sub-Committee led to a comprehensive report on how the future faculty should be shaped. After consultations with national and international experts, the report was eventually submitted to the Vice Chancellor of the UNAM and approved for implementation by the University by the end of 1992.

Apart from the LL B component, the Report also dealt with other components of the proposed Faculty. It contained recommendations on what developed into two separate centres of the Faculty, the Justice Training Centre (JTC) and the Human Rights and Documentation Centre (HRDC). Both centres were created by way of contractual agreements between the Ministry of Justice and the UNAM. The Faculty started its preparatory work in early 1993 and admitted its first students in January 1994.

The formal launch of the JTC took place on 20 September 1993; the HRDC was launched on the occasion of the workshop on “Human Rights Education and Advocacy in the 1990s” which was held in May 1993. The Faculty of Law was officially inaugurated by the Chancellor of the UNAM, His Excellency President Dr SS Nujoma, on 18 February 1994.

The legal Department of the Centre for Applied Social Sciences (CASS) was affiliated to the Faculty of Law of the UNAM with effect from January 1994. The main aim of the affiliation was to make the services of CASS, in terms of generating legal research and providing technical assistance (mainly in customary, but also in other areas of law), available to the Faculty of Law.

Departments of Public Law and Jurisprudence, Private and Procedural Law, and Commercial Law were established in 2000. The JTC and the HRDC have the status of departments. The Director of the JTC and the Director of the HRDC are, thus, ex-officio members of the Senate.

After two years of experience with the curriculum of the degree of LL B, a curriculum revision took place. It led to a new degree structure with the degree of B Juris after three years of studies and the degree of LL B after two additional years. The first students of the Faculty completed the B Juris at the end of 1996 and the LL B programme in 1998.

The B Juris qualifies the holder to employment, after the appropriate practical preparation, into the magistracy, the prosecution service (in the lower courts) and into those areas that do not require a full legal professional qualification. For entry into full membership of the legal profession and the practice of law in Namibia in terms of the Legal Practitioners, Act 15 of 1995, the LL B degree is a prerequisite.

The JTC of the Faculty offers practical legal courses to candidate legal practitioners. The JTC examinations are conducted under the supervision of the Legal Education Board as part of the requirements for admission for practicing law.

Post-graduate programmes with two offers to obtain the degree of LL M in Economic Law and the Law of Criminal Justice have been offered from 2000 and phased out at the end of the 2005 academic year. As from the 2006 academic year the Faculty offers the Master of Laws by research only in any area of law.

K.9 LL B DISSERTATION REGULATIONS (LJDI 3860)

K.9.1 INTRODUCTION

All LL B students are required to write a dissertation in their final year. In order to expose students to various research techniques, lectures and/or seminar on research methods will be conducted during the first semester of the first year of the LL B programme.

In writing the dissertation, the student should seek to provide clear analytical methodology and clearly articulated theoretical perspectives on the subject matter. The dissertation may not be wholly theoretical, but it should have a theoretical component in examining the problem area chosen.

K.9.2 SELECTION OF TOPICS

Subject to availability of supervisors, any area of law may be selected as a dissertation topic.

K.9.3 SUPERVISION

Each student will, as far as possible, and depending on the lecturer’s expertise, be allowed to have a supervisor of his/her own choice. Where a student is unable to secure a supervisor of his/her own choice, the co-ordinator of the Course “LL B Dissertation” shall allocate a supervisor to the student. The co-ordinator reserves the right, in appropriate circumstances, to re-allocate a supervisor to the student.

K.9.4 STAGES OF DISSERTATION

The writing of a dissertation is a yearlong process which requires self-discipline and organisation. To ensure that the highest quality work possible is produced, students are required to submit three preliminary documents during the course of the year indicating the progress they have made. Each student must produce each of the three documents by the dates specified. Students should please note:

K.9.4.1 All documents from the general proposal to the final dissertation are to be handed to the Faculty and each student must ensure that he/she signs against his/her name on the list provided by the Faculty. The documents shall then be distributed to the lecturers concerned by the co-ordinator.

K.9.4.2 All documents shall contain
  - the title of the dissertation,
  - the student’s name,
  - the supervisor’s name, and
  - the date of submission.

K.9.4.3 The usual academic rules on citation of works consulted are to be fully complied with. Plagiarism - the passing off of the thoughts and ideas of others as one’s own, - whether deliberate or not, will be severely penalised.

K.9.5 DISSERTATION TIMETABLE

The following is the timetable for the completion of the various stages involved in the writing of the dissertation:

K.9.5.1 GENERAL PROPOSAL
K.9.5.1.1 All lecturers shall be available to discuss possible dissertation topics with students during the first term. At the end of this period, students shall be required to submit a (typed) General Proposal for a dissertation.

K.9.5.1.2 This should be about 500 words in length, and contain a general statement of the problem to be researched as well as a brief description of likely methods (e.g. archival research, questionnaire, library research, field research through interviews or survey).

K.9.5.1.3 It is the duty of every student to arrange appointments with the chosen supervisor to discuss the proposed research topic prior to submission to the Faculty. The supervisor shall ensure that the topic chosen is both viable and relevant to the academic and research concern of the Faculty.

K.9.5.1.4 The co-ordinator shall, immediately after the submission of the General Proposals, convene a meeting (Dissertation Committee) of all supervisors where each dissertation topic shall be reviewed and approved, amended or rejected. The Dean shall be ex-officio member of the Dissertation Committee. He/she may appoint any other Faculty member to sit on the Committee on his/her behalf.

K.9.5.1.5 Where a proposed research area has already been covered in a previous dissertation, the student concerned shall not be allowed to undertake research in that area.

K.9.5.1.6 A final list of students, supervisors and topics chosen shall be published.

K.9.5.1.7 Changes of topics or supervisors shall only be allowed before the date of submission of the detailed proposal. Reasons shall be given by the student for the intended change in writing. The Dissertation Committee shall decide on the proposed change. No further change will be allowed after the date of submission of the detailed proposal.

Date of Submission: 19 March 2013

K.9.5.2 DETAILED PROPOSAL

K.9.5.2.1 The detailed proposal (typed) is a fuller statement of the research topic. It should be drawn up after consultation with the supervisor. It should be about 1000 words in length, and contain a statement of the topic of the research, research methods to be used and a list of the main scholarly works which will be consulted.

K.9.5.2.2 It is the duty of every student to arrange appointments with the chosen supervisor to discuss the progress of the work and problems, as the case may be.

K.9.5.2.3 The Detailed Proposal shall be submitted to the Faculty. The co-ordinator shall, immediately after the submission of the Detailed Proposals, convene a meeting of the Dissertation Committee where the Detailed Proposal shall be reviewed and approved, amended or rejected.

Date of Submission: 16 April 2013

K.9.5.3 DRAFT DISSERTATION

K.9.5.3.1 The bulk of the research should be carried out during the second term. The (typed) draft of the dissertation shall, as far as possible, be a full-length presentation of all the arguments and points to be made in the final dissertation. The usual rules about footnotes, quotation marks and references, apply to the draft.

K.9.5.3.2 It is the duty of every student to arrange appointments with the chosen supervisor to discuss the work done and problems, as the case may be. The Draft Dissertation shall be read and commented on by the co-ordinator.

K.9.5.3.3 The Draft Dissertation shall be submitted to the Faculty. The co-ordinator shall, immediately after the submission of the Draft Dissertations, convene a meeting of the Dissertation Committee of all supervisors where the Draft Dissertations shall be reviewed and approved, amended or rejected.

K.9.5.4.2 The Dissertation shall be submitted to the Faculty in three copies plus an electronic copy on CD.

**Date of Submission:** 18 October 2013

- theoretical and methodological clarity,
- originality of arguments,
- quality and synthesis of research,
- quantity of research,
- orderly nature of presentation,
- footnotes, bibliography, language use, and
- overall quality.

K.9.6.2 The Faculty shall submit one copy directly to the co-ordinator and two copies to the Examinations Department, which in turn will provide the supervisor and the external examiner of the respective subjects with a copy.

K.9.6.3 The dissertation shall be read by the co-ordinator who will pass his/her comments on to the supervisor. The supervisor and the external examiner shall mark the dissertation thereafter. Otherwise, the examination rules of the UNAM shall apply as the case may be.

**K.9.7 LATE SUBMISSION, FAILURE OF SUBMISSION, FAILURE OF PASS MARK**

K.9.7.1 A student may not proceed to the next stage without submitting a document required at an early stage, e.g. a student cannot proceed to the first draft without submitting a detailed proposal. Failure to submit the draft dissertation or the main dissertation shall mean the student will have failed the course.

K.9.7.2 Supervisors may at their discretion and in consultation with the co-ordinator give reasonable extensions (not more than 7 days in each case) in deserving cases. The supervisor shall, at each stage, ensure that the students supervised by him/her submit documents on the required dates and also ensure that where extensions are granted students adhere to the period of the extensions.

K.9.7.3 If the late or non-submission is the result of illness or some other excusable cause a student shall be required to substantiate it with medical or other satisfactory evidence.
